Trine 2: Director's Cut, exclusively for the Wii U, features the critically acclaimed original Trine 2 game, a number of enhancements and gameplay polish, alongside a new game mode called "Magic Mayhem", designed exclusively for the Wii U.

Trine 2 is a sidescrolling game of action, puzzles and platforming. You play as one of the Three Heroes who make their way through dangers untold in a fantastical fairytale world. The game features an exciting adventure full of action, including physics-based puzzles using fire, water, gravity and magic; wicked goblins on a quest to ruin the kingdom for good; and a magical environment full of wonder.

For the first time in the series, Trine 2 introduces online cooperative multiplayer support for up to three players, alongside the local multiplayer mode.

The upcoming new expansion campaign, Trine 2: The Goblin Menace, will also be released on the Wii U at launch as a console exclusive.

## **Characters**

### *Amadeus the Wizard*

Despite his ongoing research for finally learning the Fireball spell, the Wizard's talent is for conjuring peculiar boxes, and occasionally even planks. He can also levitate small inanimate objects.

Amadeus is married to a lady by the name of Margaret. They have three children, all of whom know the Fireball spell.

### *Pontius the Knight*

The Knight is an eager champion of the kingdom, the protector of the common man with a great sense of justice. Armed with his sword, his shield and the powerful Storm Hammer, he's a formidable fighter.

Pontius's great weakness is food. This shows around his waist.

### *Zoya the Thief*

The Thief makes her way up to rooftops and over walls with her trusty grappling hook. Zoya is not so concerned about family or duty, but she is content to be a hero of the Trine, for she loves adventure.

Zoya's love for treasure, however, often leads her astray.
