

## Devil in the Details

A Wii U exclusive third-person shooter/combat game arrives from the creative mind of legendary designer Tomonobu Itagaki.

### FEATURES:

- *Devil's Third* is an over-the-top, third-person action shooter that combines modern military weaponry with ninja-style swordplay and melee combat.
- The game has a unique vision for a deep and challenging online mode that blends clan-based action, resource management and strategy.\*
