Game Description:

Wooden Sen'SeY is an action-platformer, set in a unique "**Japan Steam Rock**" universe filled with humour.

You follow Goro, a village chief, as he seeks revenge through a variety of levels. He will defeat his enemies using his axes to **slice, dice, squash and grapple!**

Wooden Sen'SeY seeks to offer players a unique gaming experience, inspired by **old school gameplay mechanisms**, while incorporating contemporary technology and beautiful 3D graphics.

- Exotic worlds and beautiful 3D graphics.
- Hardcore **old school gameplay!**
- **Awesome music** and crazy voice actor.
- A unique environment style **for each level.**
- Several ways to follow **the path of the Sensei:** dive in or play with finesse!
- "**Dev-Time**" **challenge:** beat the developers' time.
- A brand new **Time Attack mode** with 30 "hair tearing" levels!
