Description

In a dark premonition, the Viking Bjarni sees an epic struggle between human and God. In the final battle for the world between good and evil, he must face the legendary Midgard Serpent. Accompanied by three courageous companions, Bjarni must journey to battle the Midgard Serpent. Along the way, he discovers new lands and peoples, develops useful technologies, and most importantly, unites medieval Europe in the struggle against evil!

The remarkable sequel to *Cultures: Discovery of Vinland*, *Cultures 2: The Gates of Asgard*, transports you to medieval Europe when Vikings and mythology reigned. Inspired by Norse mythology, *Cultures 2* combines elements of simulation, adventure, and role-playing to envelop you in Bjarni's quest to defeat the fabled Midgard Serpent. Using *Cultures 2*'s customizable menu interface, you can develop new technologies, launch military campaigns, and discover new lands. Eleven exciting missions wait to challenge you on your sojourn to defeat the Midgard Serpent!
