Description

Hurtle along winding roads at breakneck speed in the driving seat of a huge 32-ton truck. Zoom past speed cameras and blow through red lights, then dodge police cars that attempt to ram your truck off the road, while police helicopters shoot at you.

Speed and skill are critical as you attempt to deliver your cargo, which may include guns or drugs, in the shortest possible time, eventually crowning you King of the Road!

Stunning graphics, realistic vehicle physics and superb game play combine to create a fast, frantic and incredible playing experience.

This is not a game for the faint hearted.
