GopherGolf 2.0.4

Copy this game!
• Give copies to your friends.
• Upload to bulletin boards.

Copies must be unaltered and complete. All copies must include GopherGolf, courses, GG manual, What's new and Order Form.

Don't charge for or try to make a profit from GopherGolf or its distribution. See the Legal section for more information.

GopherGolf is shareware and distribution is encouraged. Play and keep GopherGolf for as long as you like.

This is a demo version of GopherGolf. You can play the first three holes of the included courses. The edit mode is fully functional except it will not allow you to save courses.

If you enjoy the product and would like to play all the holes of a course and be able to create, modify and save your own courses you should register your copy now.

Ordering Information

You can register your copy of GopherGolf by mail or through CompuServe Software Registration. You will receive a registration number that lets you access all options of GopherGolf. At this time we are able to offer the game to you for only $15.00 for just a registration number or $20.00 if you also want a disk sent to you.

ORDERING

To order fill out the order form that was included with the documentation. If you do not have the order form just send your name, address and/or e-mail address and specify that you want to register GopherGolf and whether you want your registration number sent by mail or e-mail.

Mail $15 US (cash, check or money order) for registration number only
or $20 US for registration number and disk to:
B&B Software
96 Highland Street
Portsmouth, NH 03801   USA

or register through CompuServe Software Registration
(GO SWREG).

If ordering from the United States mail your fee in cash, check or money order. If you are ordering from outside the United States mail your fee in cash, postal money order or bank check from a US bank. Do not send bank checks from foreign banks. Most foreign banks charge up to $50 to cash their bank checks in the US.

We welcome bug reports from all users, demo or registered copies. Please let us know about conflicts or any ways in which we can improve the product.

You can reach us by e-mail on America Online at
BobManc@aol.com
