

How to register

You are kindly asked to send \$8 (US), £5 (GB), 60 SEK (SWE), 12 DEM (GER) or 60 F (FRA). Whatever suits you best. Please don't send any cheques; I prefer well-disguised cash in an envelope. If you feel uncomfortable sending money to a stranger you can send a good beer-book / magazine, bottles of beer from your part of the world, hops, yeast, or something else related to beer that you feel is enough to get yourself registred. I will send you a disk (or via Internet) with the latest (full) version of The BeerStack. It is more exhaustive than this version and it won't be locked in any way. I will also send you future updates of TBS. Let me know if there are any problems with fonts, windows etc. and I will change this in future versions. Please give copies of TBS to friends, post it on BBS's, send it to magazines, spread it! If you don't want to keep TBS but just want to be nice to me, you can e-mail me at: bush@shbf.se and tell me where you found TBS. This is where you send the shareware fee:
