2. Antiochus and guests Tomb

Let fall a tear as you pass by; for we are those guests of Antiochus whom his house slew when it fell, and God   gave us in equal shares this place for a banquet and a tomb. Four of us from Tegea lie here, twelve from Messene, five from Argos, and half of the banqueters were from Sparta, and Antiochus himself. A fifth of the fifth part of those who perished were from Athens, and do thou, Corinth, weep for Hylas alone.
