When

- Was O Boy Developed?
  O Boy development began on Tax Day 1996 (April 15).   It was worked
  on at home usually between the hours of 10 and Midnight.

- Was O Boy entered into the MacHack contest? - June 20th 1996.

- Did I purchase my first Mac?
  1984 - of course!   It was the same year I met my wife ...
  needless to say it was a great year!

- Did I land my first Mac development job?   1994.

- Will the next version of O Boy be?
  Who knows?   Suggestions are welcome.

- You find a bug?
  If you find a bug (aka defect) please let me know.   If you want to
  use some O Boy code in a product of yours - help yourself but
  I ask that you send me a copy of that product - see where.
