

 How To Be Annoying:

- Specify that your drive through order is “to go.”
- If you have a glass eye, tap on it occasionally with a pen while talking to others.
- Name your dog “dog.”
- Forget the punchline to a long joke, but assure the listener that it was a “real hoot.”
- Do not add any inflection to the end of your sentences, producing odd silences with the impression that you’ll be saying more at any moment.
- Pretend your computer mouse is a CB radio, and talk to it.
- Inform others that they exist only in your imagination.
- Deliberately hum songs that will remain lodged in co-workers’ brains, such as “Feliz Navidad,” the Archies’ “Sugar” or the Mr. Rogers theme song.
- Change your name to “John Aaaasmith” for the glory of being first in the phone book. Claim that it’s a Hawaiian name, and demand that people pronounce each “a”.
- Ask the waitress for an extra seat for your “imaginary friend.”
- Construct elaborate crop circles on your front lawn.

 Confucius say:

- Man who run behind car get exhausted.
- Lady who live in glass house, dress in basement!
- To make egg roll, push it.
- Woman who puts detergent on top shelf, jump for Joy.
- Woman who put husband in doghouse soon find him in cat-house.
- Man who eats photograph of his sire is soon spitting image of his father.
- Man who pushes piano down mine shaft get A flat miner.

“Batteries are not included.”

 A young guy in a two-engine fighter was flying escort for a B-52 and was generally being a nuisance by acting like a hot shot. He flew three rolls around the lumbering old bomber and said over the air, “Anything you can do, I can do better.” The veteran bomber pilot answered, “Try this hot-shot.” The B-52 continued its flight, straight and level. Perplexed, the hot shot asked, “So? What did you do?” “I just shut down two engines, kid.”

 A boy called the doctor.. “Doctor, doctor come quick, my younger brother has swallowed my pen.” “I’ll be right over - what are you doing in the meantime?” “I’m using a pencil...”

 I bet it was really tough being an Apostle of Jesus. What if you wanted a day off? So you call up Jesus and say, “Jesus, I’m sick today, running a little fever and feeling congested so I won’t be able to make it to today’s sermon... What...? Say that again? You say I’m cured?”

 I didn't get a toy train like the other kids. I got a toy subway instead. You couldn't see anything, but every now and then you'd hear this rumbling noise go by.-- Steven Wright

 "I take great pleasure in giving you a 'B' in mathematics," a professor told one of his students.
"Why don't you give me an 'A' and **really** enjoy yourself," the student replied.

 A little old lady was at the immigration office taking a citizenship test. The official asked her, "Do you advocate the overthrow of the government by violence or subversion?"
She stopped to think for a moment and then answered, "Violence, I think."

 Two men went bear hunting. While one stayed in the cabin, the other went out looking for a bear. He soon found a huge bear, shot at it but only wounded it. The enraged bear charged toward him, he dropped his rifle and started running for the cabin as fast as he could. He ran pretty fast but the bear was just a little faster and gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat. Too close behind to stop, the bear tripped over him and went rolling into the cabin. The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

 "Vernon, where's your homework?" Miss Martin said sternly to the little boy while holding out her hand.
"My dog ate it," was his solemn response.
"Vernon, I've been a teacher for eighteen years. Do you really expect me to believe that?"
"It's true, Miss Martin, I swear," insisted the boy. "I had to force him, but he ate it!"

 Two guys walked down the street. Suddenly one of them kneeled down and picked up a small mirror. He looked at and said, "Hey... I think I know this man...!"
"Let me have a look," his friend said as he grabbed the mirror. "Of course you know this guy! It's me stupid!"

 "Was your friend shocked over the death of his mother-in-law?"
"Shocked? He was electrocuted."

 Aunt Billie's Really, Really, Really Interesting Questions:

- Why doesn't glue stick to the inside of the bottle?
- When companies ship Styrofoam, what do they pack it in?
- If a stealth bomber crashes in a forest, will it make a sound?
- If the cops arrest a mime, do they tell him he has the right to remain silent?
- If a turtle doesn't have a shell, is he homeless or naked?
- If bankers can count, how come they always have ten windows and two tellers?

 At a cocktail party, one woman said to another, "Aren't you wearing your wedding ring on the wrong finger?"
The other replied, "Yes I am, I married the wrong man."

 Uncle Bob's Wise Words:

- People are more violently opposed to fur than leather because it's safer to harass rich women than motorcycle gangs.
- I received a letter from my bank the other day, telling me, "This is the last time we're going to spend 45 cents to tell you that you have fifteen cents!"
- My wife claims I'm a baseball fanatic. She says all I ever read about is baseball. All I ever talk about is baseball. All I ever think about is baseball. I told her she's way off base.
- If a kid asks where rain comes from, I think a cute thing to tell him is "God is crying." And if he asks why God is crying, another cute thing to tell him is "Probably because of something you did."
- I don't kill flies, but I like to mess with their minds. I hold them above globes. They freak out and yell "Whooa, I'm way too high!!"
- I was standing on the windowsill of my sixth floor flat the other day. I thought to myself, "One slip, and its curtains. And if I fall the other way, I'll be dead."

 Aunt Billie always sleeps all night peacefully, even though at 3:07 every morning a train passes her house and sends out the wild wail of a siren. Then, one night, for some reason the train did not pass, and at 3:07 Aunt Billie sat up, wild-eyed, in the dark silence and said, "What was that?"
