

Unregistered Startup

ntem always displays this window when you start the unregistered version. To try the program immediately, click on “Not Yet.”

To order your copy, click on the “Fill Out Order Form” button, fill it out, and send it to Kagi with the requested fee.

If you have received your registration name and registration code, click on the “Register Now” button and enter the requested information. Upper and lower case make a difference, so be sure to enter the information accurately. Your registration name and registration code will convert your unregistered copy of Anthem into a full working registered copy.

IMPORTANT: Once you receive your unique registration name and code, KEEP IT IN A SAFE PLACE! You may need it again later.
