Needs: Warcraft 2 (from Blizzard Entertainment)

Description : An scenario for Warcraft 2. Modled after the trench warfare in World War 1. Best used in a modem game. Hint: Archers and Catapults take out cannon towers the best. Try to break onto the other guy's side to set up barracks. Use your knights as rapid reaction force.

Keywords: Addon, Warcraft 2, Scenario.

To set up, go into download directory and run install.bat.

To play, go to Warcraft 2 and load a custom scenario.
