A SIMPLE FINANCIAL TEMPLATE

Joe wants to get a car loan, but before he does, he wants to know how much it will cost him per month to pay back the loan. Move the cursor to the input fields and calculate a monthly payment.

| INPUT |  |
| :---: | :---: |
| AMOUNT>>> | \$2000 |
| PAYBACK>> | 1 |
| INTEREST> | 18.00\% |
|  |  |
| PAYMENT (per month) | \$183.36 |

years $=12$ months
<<enter as a decimal
