

THE UNIVERSE OF DREW by Drew Henry

Any individual who has a great job also needs an incredible hobby. Your hobby will provide you with the ultimate WINDOW to:

THE UNIVERSE

In the space below you will see a number of rather odd looking shapes. If you manage to rearrange them properly you will discover what your hobby is.

As usual, if you can not do it, or to start again, press [Alt] [A]. Remember [F1] for help.

Select "Let Me Try" to begin your second mission.
