The Mac Bible Extras Pack

Send in this coupon to receive the **Mac Bible Extras Pack** of discounts on membership in BMUG, Peachpit books and software, plus a free guide to online resources.

What's in the Extras Pack:

Your up-to-the-minute guide to Macintosh resources online, including World Wide Web addresses and sign-up instructions for free online newsletters such as *TidBits* and *MacInTouch*.

\$20 discount coupon for one-year membership in the Berkeley Macintosh User Group (BMUG). Regular U.S. price: \$65, special price \$45 (prices vary in other countries). BMUG is the largest user group in the world, with over 10,000 members. Benefits include a twice-annual 300+ page newsletter, an online bulletin board, and user group discounts.

Over \$30 in discounts on Peachpit books and software (note: specific discounts will change from time to time as new books are released; offers valid only in the United States). With every order you place to take advantage of these discounts, we will also include a free copy of *25 Steps to Safe Computing* (our wrist and eye-saving book on computer ergonomics, list price \$6). Also, with orders of \$100 or more, we will also include—free—a copy of our award-winning *A Day with Biff*, a full-color book disk with usable clip art (list price \$25).

Other special offers on software, hardware, training resources, and online services.
