Requiremed: PowerPC/680x0, 8MB RAM, Sytem 7.5,4x CD

Reunion helps you to document, store, and display

information

about your family — your ancestors, descendants, cousins,

etc. It

records names, dates, places, facts, plenty of notes, sources

of

information, pictures, sounds, and videos. It shows family
relationships in an elegant, graphic form — people and

families

are linked in an easy-to-understand fashion. Reunion makes

it

easy to publish your family tree information — even if you

want

to share it on the Web.
