CodeSafe Help Index

Please:

If you have any question,please read the Readme File first.

To know more information about this program,please Contact with me.

If you have found a bug,Please Contact with me.

-------------------**Announcement**--

Since March of this year ,I have programed   four version of codesafe,there are 1.01,1.10, 1.10F,and 2.0. I programed it in my spare time . Now ,I have no enough free time to contine the future version.So I decide to ...,Anyone who want to continue or need the source code ,please contact with me (gleamd@usa.net),but it's not free yet.
