

Misc. Information:

Desk Accessories:

[Desk accessories](#) will not appear if the System 7 Pack! successfully quits the Finder. The Finder has a part in getting the list of desk accessories. When it is no longer running, other applications cannot use desk accessories.

The Apple Menu:

[About the System 7 Pack!...](#) — Show about box with ordering information.

[Enter the Password...](#) — You'll enter the password I send you when you register.

[Preferences...](#) — You can specify your preferences here.

The Control Menu:

[Open an Finder application...](#) — This option lets you open a copy of the Finder. You can also press Command Key O to access this menu item. It is not necessary to use this option if you plan on customizing your startup Finder.

[Close the open Finder](#) — This option lets you close the current Finder that you are working on. All changes will be saved. It is not necessary to use this option if you do not plan to open a different Finder in the same session.

[Print Order Form](#) — Prints Order Form. Use this option to print out a registration form or use your word processor to open one of the included order forms.

[Quit](#) — Quits the program and saves any changes you made! You can also press Command Key Q to access this menu item.
