

o register Font Box and unlock the full version:

- launch Font Box
- select 'Full Version' from the File menu

- **Personal Edition**

The Font Box Personal Edition is limited to analyzing 250 fonts on local volumes. If you have a modest font collection, this is the most economical solution at \$29.95 (\$31.75 in PA). You may later upgrade to the Preferred Edition for an additional \$39.95 (\$42.35 in PA).

- **Preferred Edition**

The Preferred Edition analyzes an unlimited number of fonts, provided that enough computer memory is available, on all local volumes. This is the most popular version at \$69.95 (\$74.15 in PA). You may later upgrade to the Professional Edition for an additional \$99.95 (\$105.95 in PA).

- **Professional Edition**

The Professional Edition analyzes an unlimited number of fonts on local and networked volumes. This is particularly useful for creating standard font libraries for businesses and service bureaus. This Edition can also analyze fonts by Foundry. The Professional Edition is \$159.95 (\$169.55 in PA).
