### Scriptorium Font Library - Shareware Note

This font is distributed as shareware. It is yours to use and enjoy for 30 days, but at the end of that time, if you are still using it you are morally obligated to send us the shareware fee.

That money won't be wasted because we'll use it to upgrade our hardware and software to bring you more and better fonts in the future.

There are two ways to pay the shareware fee.

1) You can send in \$5 and keep on using this font and forget all about us.

-- OR --

2) You can send in \$12 and we'll send you a disk with more than a dozen fonts from the Scriptorium Font Library, which features a large number of unusual text, display and calligraphic fonts in TrueType or Postscript format. Please specify which font you downloaded when purchasing a disk.

If you've already registered and paid your full fee for a previous font, you can get purchase additional disks from the font library for \$10, or update to the newest versions of any fonts you already have for \$5 per disk.

### PLEASE NOTE

The uploaded shareware versions of some of our fonts are not complete. They may include only the upper case characters and may not include all of the punctuation or special characters. Where appropriate, the versions distributed on disk have upper, lower and special characters.

Ragnarok's scriptorium is dedicated to producing unusual historical and special purpose text and display fonts. Our fonts are available in Type 1, Type 3 and TrueType format for the Mac and in TrueType format for IBM systems using Windows 3.0. Please specify your preferred format when ordering.
