INSTALLATION

To install the Jigsaw Puzzles demo, run the Setup.exe program that's located in the same folder that you unzipped Jigsaw Demo.zip into and then follow the on-screen instructions.

GETTING STARTED

After the installation is completed, you can start Jigsaw Puzzles from the Start menu or from the Windows Explorer by double-clicking the Jigsaw.exe file that's inside the folder where you installed the program. Once started, please see the online help for a description of the program's features.

THANKS

Thank you for trying the Train-Teasers Jigsaw Puzzles demo! We hope you will find the program enjoyable and will be interested in purchasing a fully functional version of the program.

The full version of Jigsaw comes complete with 350 railroad puzzles as well as the JigMake utility, which will allow you to easily create your own Jigsaw puzzles in seconds from existing jpg, bmp, gif, pcx, and targa files. Please check our web site, www.abracadata.com, for more information about how to purchase Jigsaw Puzzles, and for information about other Abracadata programs.
