Yes, I want to register BootMaster 6.0 as a:

Private license      US\$ 30,00  
 Site license          US\$ 100,00

has been transferred to the Postbank Berlin (Bank code 100 100 10) Account 474 75-100.  
 is paid with a notified bank check in German currency.  
 is paid in cash. (This is the cheapest and easiest way !)

I know that any checks or transfers must be made in German currency! (DM. 50,00 / 200,00)

Delivery conditions:

There are no additional delivery costs.

No credit cards accepted yet.

No COD possible.

Disk format:  3½" DD       5¼" HD

I'd rather have the DOS version.

I'd rather have the German version.
