This font is beerware/cocktailware & postcardware. Go have a beer, cocktail, or Wine
Cooler for the ladies, then send me a postcard. Non-Drinkers should have some body
cleansing water (Pluto Water would be good) or not use this font! If you are under the
legal drinking age in your state have a beverage, or convenience an Adult to
purchase the beer for you, you know. Anything less could be construed as grand
theft, interstate transportation of stolen goods, and conceivably as unlawful flight to
avoid prosecution, all FELONIES in the good ole U.S.A. So get going!

Please dont drink and drive on my account!
