

### **BlueBrain3D End User License Agreement**

This is a legal agreement between you, BlueBrain3D and the copyright holder (hereafter referred to as 'The Vendor'). Your use of any 3D models/meshes/materials/textures/data-sets (hereafter referred to as 'The Models' or '3D Models') provided by BlueBrain3D Model Library constitutes your agreement to the following terms and limitations.

### **Grant of License**

BlueBrain3D hereby grants to you a Non-Exclusive Limited Commercial License to use 'The Models'. 'The Vendor' retains all copyright, title and interest to 'The Models' and associated files.

- 1) You are authorized to use, copy, modify 'The Models' for any use which is not restricted by the Limitations outlined below.
- 2) You are authorized to use images or animations (renderings) generated using 'The Models' to promote your personal or business products or services.

### **Limitations**

Use of 'The Models' in any and all applications that imply redistribution is prohibited without prior written permission from 'BlueBrain3D'.

- 1) You are not authorized to sell, resell, sell as, duplicate, distribute, sub-license, publish, market, or re-present - for re-sale or as free objects, any '3D Model', or any derivative thereof.
- 2) You are not authorized to sell, resell, sell as, duplicate, distribute, sub-license, publish, market, or re-present - for re-sale or as free objects, any '3D Model', or any derivative thereof - in virtual worlds, video games, online software, commercial software, free software – unless prior written authorization has been granted by 'BlueBrain3D'.

### **Warranty**

'BlueBrain3D' has made efforts to insure 'The Models' are free from defects and usable in most major 3D software applications; however, due to the inherent complexity of 3d models as well as the instability and inconsistency of software, hardware and operating systems, it is not possible for 'BlueBrain3D' to provide any warranty or guarantee pertaining to the performance of 'The Models'.

If you are unclear whether your intended use of a 'The Models' is acceptable under this License Agreement, please contact 'BlueBrain3D' at [models@bluebrain3d.com](mailto:models@bluebrain3d.com) for clarification and/or written permission.
