Basic Info

<u>Disk Inspector</u> is simple-to-use tool for creating catalogs your disks quick and easy Disk Inspector support any media storages which have letter in system.

I try make system which work instead of you.

If on disk have object contain comments, (as "files.bbs", "file-id.dis" etc) Disk Inspector extract it and assign.

Disk Inspector scan major types of archives (ARJ,RAR,ZIP,LZH,HA) and present it as ordinary folders. Disk Inspector main screen in standard mode looks like the following:

DiskInspector(C:\Program	Files\DevStudio\VB\	big4.dic)			_ 🗆 ×
<u>File Tools Options H</u> elp					
🏹 M 🗅 🚅 🗟 😒	38722	5 E I

In this window you may enter new catecategory's name or edit existed. Edit name in text box, and click on "OK" button, to accepts your changes. "Cancel" button decline changes.

Edit File Comments

In this form you can see common information about selected file or folder (name, size , full path and comments). You may edit comments in text box. "Ok" button accepts changes, but "Cancel" - declines it.

Copyright and License

The Disk Inspector is shareware. This means:

All copyrights to **Disk Inspector** are exclusively owned by Alex V. Galkin

Anyone may use this software during a test period of 30 days. Following this test period of 30 days or less, if you wish to continue to use *Disk Inspector*, you MUST register.

Once registered, the user is granted a non-exclusive license to use *Disk Inspector* on one computer (i.e. a single CPU), for any legal purpose, at a time.

The registered **Disk Inspector** software may not be rented or leased, but may be permanently transferred, if the person receiving it agrees to terms of this license. If the software is an update, the transfer must include the update and all previous versions.

The **Disk Inspector** unregistered shareware version may be freely distributed, provided the distribution package is not modified. No person or company may charge a fee for the distribution of **Disk Inspector** without written permission from the copyright holder.

•**Disk Inspector** IS DISTRIBUTED "AS IS". NO WARRANTY OF ANY KIND IS EXPRESSED OR IMPLIED. YOU USE AT YOUR OWN RISK. THE AUTHOR WILL NOT BE LIABLE FOR DATA LOSS, DAMAGES, LOSS OF PROFITS OR ANY OTHER KIND OF LOSS WHILE USING OR MISUSING THIS SOFTWARE.

You may not use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed program, or any subset of the licensed program, except as provided for in this agreement. Any such unauthorised use shall result in immediate and automatic termination of this license and may result in criminal and/or civil prosecution.

Installing and using **Disk Inspector** signifies acceptance of these terms and conditions of the license.

·If you do not agree with the terms of this license you must remove **Disk Inspector** files from your storage devices and cease to use the product.

Limitations of unregistered version

The unregistered version of *Disk Inspector* is almost fully functional. It has only two limitations:

first limitation : After program start you may see nag screen which can't be closed within 3 secs and second: You may not scan in catalog above 5 disks.

When you'll register, you'll get the registration key (serial number) which will remove all limitations. . Your registration key will work for all future versions of *Disk Inspector* (or we may provide you with the new key, if the keys will be changed for some reason).

Context Pop-Up menu
