What's new in the 2.1 version

- much faster display of texts and pictures (up to 8 times as fast in Windows 95)
- extended and improved print
- label print
- search history
- saving, loading, and deleting searches
- extended possibility of key-coding functions and access to data
- setup program compatible with Windows 3.1x, Windows 95, and Windows NT including uninstalling
- updated help with 256 colour pictures
- a new updated and easier-to-read edition plan
