

Shareware Issues

Extension Overload is distributed as Shareware. You are permitted to use it on trial basis for up to 2 weeks. If you wish to continue using Extension Overload beyond that period, you are expected to pay a registration fee to obtain a license to use Extension Overload. If you find that it isn't for you, you just remove it from your hard disk.

Once you are a registered user, you will get the following:

1. A license code that removes the shareware notices and personalizes Extension Overload.
2. A notification via e-mail as soon as a new version is shipped.
3. Your registration will be valid for all subsequent versions of Extension Overload.
4. Free Technical support. Just mail your questions to eo@kagi.com.

Our registration is handle by Kagi. Once Kagi processes your payment, which take up from a day up to a week from when they receive it, they will Email you a message with the subject "Thanks for your payment" as a receipt. (If you do not have an Email address, you can ask for a Postcard Receipt) If you do not receive this message, contact Kagi at admin@kagi.com

There is several way you can register Extension Overload, please choose one.

Please do not fax or email payment forms that indicate cash, check or invoice as the payment method. As far as we know, there is still no technology to transfer physical objects via fax or e-mail, and without the payment, the form cannot be processed. Payments sent via postal mail take

time to reach Kagi and then up to 10 days for processing. Again, if you include a correct e-mail address, you will hear from Kagi when the form is processed.

Payments via Online (Using Credit Card)

Your payment is processed within 24 hours. Kagi accepts Mastercard, Visa, American Express, Discover, Optima, JCB and Diners Card. For normal connection. Please visit

Payment via Credit Card or First Virtual

You can e-mail or fax the data to Kagi. Their Email address is sales@kagi.com and their fax number is +1 510 652-6589. You can either copy the data from Register and paste into the body of an e-mail message or you can save the data to a file and you can attach that file to an e-mail message. There is no need to compress the data file; it's already pretty small. If you have a fax modem, just Print the data to the Kagi fax number.

You can also print the data using the Register application and send it to the address shown on the form, which is:

Kagi

1442-A Walnut Street #392-U4Y

Berkeley, California 94709-1405

USA

Payments via USD Check/Money Order

Your payment is processed within a week once Kagi receive the check/Money Order. If you pay via check, it must be a check drawn in US Dollars. Kagi cannot accept checks in other currencies, the conversion rate for non-USD checks is around USD \$15 per check and that is just not practical.

You should print the data using the Register application and send it to the address shown on the form, which is:

Kagi

Payments via Invoice

If you have a purchasing department, you can enter all the data into the Register program and then select Invoice as your payment method. Print three copies of the form and send it to your accounts payable people. You might want to highlight the line that mentions that they must include a copy of the form with their payment. Kagi cannot invoice your company, you need to act on my behalf and generate the invoice and handle all the paperwork on your end.

You should print the data using the Register application and send it to the address shown on the form, which is:
