## Paying directly to Yellowsoft:

Normally you may register Yellowsoft's softwares by using Kagi. If you wish to pay directly to Yellowsoft you're welcome, but you should know that we may handle only payment by means of US CASH sent via postal mail. Other payment methods will be ignored: we can't accept Checks, Money Orders, Credit Cards, First Virtual, Cash different than US, e-mail order and so on.
So you may pay directly Yellowsoft by sending US CASH and use Kagi for any different payment method.
If you resolve to send US CASH ONLY directly to Yellowsoft, you may use this application.

## Some infos about Site and World-Wide Licenses:

A Site License (roughly equal to 27 users) covers all locations for your organization within a 160 kilometer radius of your site (100 miles). One big advantage of a Site License is that you do not need to keep track of how many people at your site are using the software.
A World-Wide License covers all locations for your organization on the planet earth.
