Kenny Hit & Run! Help

This is the basic game you can say of Frogger. Only now with a different twist.

No more going to get something and only a few lanes of cars.

This 10+ multi lane high-way with few rest stops is hard to pass.

Your goal is to get to freedom and Save Kenny!

New use of the scrolling screen.

Controls:

Move kenny with the arrow keys.

It's a Blast!

This game has to do with a cannon shooting kennys at you!
Why are there more than 1 kenny? Hey, it's a game who cares!
The cannon shoots kennys at a random speed.
While you use the 3 kids to try to Save Kenny!
Save 25 kennys and you lose 1 kid.
Save 50 kennys and you lose 2 kids, left with only 1!
Save 100 kennys to win!
Kill 3 kennys to lose!

Controls:

Move the kids using up and down.
