FINE PRINT: Orders are processed immediately and cannot be modified or cancelled after they are submitted. Products ordered may not be returned for a refund or exchanged. If you provide us with your e-mail address, you will receive automatic confirmation of your order and applicable registration codes by e-mail within three business days. If you request shipping, your order will be shipped by air mail. Air mail, despite its name, takes about three weeks to reach destinations in the United States and about four weeks to reach destinations overseas. Non-delivery is not grounds for cancellation of your order - if you do not receive your order within the specified time, we will replace it. Ordering software or other products constitutes your understanding and acceptance of these terms and any additional terms stated in the license agreement and the "Terms, Conditions and Legal Dogma" document installed with the software you are registering. We are unable to provide a United States federal tax ID number or social security number, as we are a Canadian corporation. We cannot complete vendor information or foreign tax documents, including but not exclusive to W-8 and W-9 forms, for small-quantity orders. We are unable to provide year-2000 compliance documentation beyond that which is available at our web page - none of Alchemy Mindworks' graphic applications get involved with dates. The lawyers made us say all that.
