Too HOT to handle

Warning: Surfing too many 'Hot' sites can burn out your modem. Contributed by Nilayendu Soneji, Mumbai

Your chance to backbyte! *Seen something ridiculous or plain funny that highlights the lighter side of computing? Send your newsclippings, ads and URLs to **Gulnar Joshi**, Features Editor, at our Mumbai office, or e-mail her at gulnar@chip-india.com. Published entries will receive a gift hamper worth Rs 500*

SONGS

§ Pawan Tiwari, a self-claimed Rafi fan is expressing his dissatisfaction with computers a la Guru Dutt. *Har ek keyboard ghayal, har ek login pyaasi Excel mein ulhan, winword mein udaasi Yeh office hai ya aalame microsoft ki Yeh Release agar ho bhi jaaye to kya hai? Jalaa do ise, phoonk daalo yeh monitor Mere saamne se hataa daalo yeh modem Tumhaara hai tumhi sambhaalo yeh computer Yeh Product agar chal bhi jaaye to kya hai?*

It's easy if you try. No fatal errors or new bugs To kill your hard drive Imagine Mr. Bill Gates Leaving us in peace! Imagine never ending hard disks, It isn't hard to do. Nothing to del or wipe of f And no floppy too You may say I m a hacker , But I m not the only one. I hope someday you ll join us And your games will fit in R A M

§ Avinash J, from Thrissur, Kerala echoes John Lennon in his vision of a world without W indows Imagine there s no W indows,

§ Shalini Malhotra from JCT, Hoshiarpur (Punjab) sings to the popular tune of the film Bobby. *Bahar so koi mail na aa sake, ander se koi data na jo sake, Socho kabhi aisa ho to kya ho*

Honourable Contributions from Readers:

§ Rajesh K Thanki sent me this clipping from Times Computing (with a note *Kya bolti tu?)*

§ Sunil D Mello from Mangalore was going over the vast list of the courses offered by

this institute in his city when he noticed that same ad also invited entries for faculty to teach the same subjects. No comments

§ Imolemba* from Nagaland spotted this ad. * name changed to protect identity
