INSTALLING ACROBAT READER 3.0

The "MetaCreations Product Demo CD" interface is in PDF format: YOU MUST INSTALL ACROBAT READER VERSION 3.0 TO VIEW THE CD INTERFACE. The interface takes advantage of new features in version 3.0 of Acrobat Reader, so you must install this latest version.

With the Acrobat Reader, you can view, print, present, and navigate any PDF file.

WINDOWS

- For Windows 95, open My Computer, mount the CD-ROM drive, and open the Acrobat Reader folder drive]:\Third Party Software\Acrobat Win\Acrobat Reader 3 Installer.EXE. Double-click on the Acrobat Reader 3 Installer icon. This will open the Windows installation Wizard.
- Follow the instructions on your screen.
- Installation requires approximately 3 MB of free hard disk space.

MACINTOSH

- To install Acrobat Reader 3.0 on your hard drive, double-click on the "MetaCreations Product Demo CD" icon after mounting the CD-ROM, then double-click on the "Third Party Software" folder. Then double-click on the "Acrobat 3" folder.
- Double-click on the "Acrobat Reader 3.01 Installer" icon.
- Follow the instructions on your screen.
- Installation requires approximately 3MB of free hard disk space.

VIEWING "MetaCreations Product Demo CD"

The CD interface is in PDF, therefore you must first install Adobe Acrobat Reader 3.0 to view it. Click on the "Welcome.pdf" file in the CD menu to open the PDF.

SPECIAL NOTES

- Acrobat should be setup to "Open cross-document links in same window". This can be set in the Preferences>General menu.
- If you have problems with Acrobat crashing and your using Acrobat Exchange, try using Acrobat Reader 3.0 or later (included).

SEARCHING "Sales & Marketing CD" with/out the PDF Document

This CD can be used without the navigational aid of the PDF document. Installers are located in the "Demo Software" folder. Additional information can be found in the Demo Documentation folder. Information includes manuals, quick reference cards, tutorials, sample art, sample movies and more.

To view sample art and movies double click on the Slideshow.exe icon.
