

ADOBE ® AFTER EFFECTS ® 6.0 TRYOUT READ ME

Welcome to the Adobe After Effects 6.0 software Tryout. This version of Adobe After Effects is intended to give you a preview of the features of Adobe After Effects 6.0 Professional edition. This Tryout includes all of the core features found in the full retail version of After Effects Professional edition. For more information on features included in the After Effects Standard edition, please visit our web site at www.adobe.com/aftereffects.

The Tryout will run for 30 days from the first time you launch.

To purchase the full retail version of After Effects 6.0, please visit the Adobe Store at www.adobe.com/store/products/aftereffects.html. For more information about Adobe After Effects, please call Adobe Systems at **800-685-3504 in the U.S. or Canada, or visit our Web site at www.adobe.com/aftereffects. For a list of Customer Service phone numbers outside the U.S. and Canada, go to www.adobe.com/support/intlsupport.html**

ADOBE TECHNICAL SUPPORT

This Tryout is for demonstration purposes only and as such does not entitle you to receive complimentary support from Adobe technical support. However, several forms of automated help are available free of charge. Adobe's searchable Support Knowledgebase is available on the Internet at www.adobe.com/support/main.html. The solutions to many common support issues are available in this database. In addition, many in-depth technical guides, tips and tricks are available at the After Effects Expert Center:

<http://studio.adobe.com/expertcenter/aftereffects/main.html>.

You can also share your After Effects questions and experiences with other users in the After Effects User to User forum at <http://www.adobe.com/support/forums/main.html>.
