# ACCEL EDA Master Documentation List

Welcome to the ACCEL EDA Master Documentation List. This list contains all of the documentation needed to acquaint you with the ACCEL EDA Evaluation CD-ROM. You view the documentation files using the Adobe Acrobat Reader for Windows. Click on the desired icon to begin viewing that document.

**ACCEL EDA
Evaluation Guide**

**ACCEL EDA
Features**

**Key
Features**

**TangoPRO vs.
ACCEL EDA**

**Master Designer
vs. ACCEL EDA**

**ACCEL EDA
Brochure**

**Tango vs.
P-CAD PCB**

**PCB Quick
Reference Card**

**Schematic Quick
Reference Card**

Within each document, you can do text searches and navigate between documents. Also, a green box indicates a hotlink between sections of a document and different documents. You can zoom in, zoom out, and print a desired range of pages. Finally, you can click the Master Documentation List bookmark in each document to return to this list.

For more information about using the Adobe Acrobat Reader, see the online files HELP_R.PDF and README_R.TXT.
