1.0 Introduction

This Eval package for the CAM350 Family of Tools, Version 3.0, is made available to you from Advanced CAM Technologies, Inc. (ACT) of Los Gatos California. The CAM350 Family of Tools is available for your most sophisticated manufacturing needs. From basic manufacturing assistance provided by PCGerber-II, to the high-end functionality of ECAM-II and CAD database intelligence found in CAM350, you can truly bridge the gap from CAD to CAM.

2.0 Installation

The following instructions are for the Windows 3.x version of the CAM350 Evaluation. A Windows 95 and NT version of the Eval will be available soon. Contact ACCEL or your local reseller for more information on running CAM350 under Windows 95 and Windows NT.

Under Windows 3.x:

1. Place the ACCEL EDA Evaluation CD-ROM in your disk drive.
Choose FILE RUN from the Program Manager.
2. Type *d:\cameval\cam31\install.exe* in the edit box,
where *d:* is your CD-ROM drive letter.
3. Follow the on-screen instructions. Press OK when asked to insert Disk 1 and Disk 2.
The contents of these disks reside on the CD in the *cam31* sub-directory.

3.0 Availability

The CAM350 Family of Tools and the ACCEL EDA interface is written and copyrighted by Advanced CAM Technologies of Los Gatos California. The software is distributed and supported by ACCEL and ACCEL's worldwide network of local resellers.

For more information on any of the CAM350 tools, please contact ACCEL or your local reseller.
