

HOW TO REGISTER?

If you use Nut Chords on regular bases for composing and chord/scale seeking purposes you are **STRONGLY ENCOURAGED TO REGISTER!** Registration is voluntary but if you have any respect for my hard work and you understand the value of my work, and the value of Nut Chords, you can register by donating me a sum of money that you freely determine yourself. It can be 1\$, 10\$, 20\$, 100\$ or even 1000\$ if you'd like to.

By Registering you support my work, future development of Nut Chords, some other programs I might make some day and most of all you make me very happy as you make me happy by sending me simple greetings from your country! You will also get a notification of new versions downloadable from my WWW page everytime a new version comes. Those who don't register won't be notified!

WAYS TO DONATE

1. PURE CASH BY MAIL

I'd very much like to get some cash of your country as I collect money, what ever is good for me! Simply put some cash to a letter and send it to me. Write some greets and your email address aswell. Thanks a zillion!
