

## Flight Unlimited 2 1.05 Update

Enclosed are the files needed to update your installation of Flight Unlimited 2 to version 1.05.  
This includes:

- **The Flight 2 1.04 Patch**
- **The Fokker WWI Fighter Plane**
- **New Adventures**

The patch must be applied first before the new adventures, new plane, or the adventure builder can be installed.

To apply the patch you must choose the correct file.

- **Flt01-04.exe:** for the U.S. version
- **Flt02-04.exe:** for the European
- **Flt03-04.exe:** for the French Version

We recommend that you Re-install Flight 2 before applying the patch.

Once the patch has been applied you may install the other options.

- **Fltfookk.exe:** to install the Fokker aircraft.
- **Fltadpac.exe:** to install the New Adventures.

Thank You
