## **Your Guide to Microsoft Product Support Services**

If you have a question about Windows Media Player, Microsoft offers technical support and services ranging from self-help tools to direct assistance with a Microsoft technical engineer.

## Note

• The services and prices listed here are available in the United States and Canada only. Support services may vary outside the U.S. and Canada. For more information about support in other locations, contact your local Microsoft subsidiary.

Microsoft's support services are subject to Microsoft's then-current prices, terms, and conditions, which are subject to change without notice.

Choose the support option that's right for you.

Outside the U.S. and Canada, contact the local Microsoft subsidiary office in your area. For a list of worldwide Microsoft subsidiaries, see <u>Microsoft Product Support Services Worldwide.</u>

## If your question isn't urgent

Send e-mail to a Microsoft Product Support Engineer

Ideal for questions requiring attached files, submit a question anytime and receive a response within one business day. Visit the Microsoft Product Support Services Online Web site at

http://support.microsoft.com/support, and submit a question using one of the following options:

Standard No-Charge Web Response

Submit unlimited incidents during the 90-day period described in the Standard No-Charge Support section above.

Pay-Per-Incident Web Response

If you have used up your Standard No-Charge Support, submit your question for a fee of \$35 US.

#### For additional support needs

If you don't have access to the Internet

FastTips is a fax-back service providing Knowledge Base articles and answers to common questions. Call (800) 936-4200.

If you need support services for a business

Priority Annual, Priority Plus, and Premier provide a selection of support packages geared for businesses. To learn which account meets your needs, visit the Microsoft Product Support Services Online Web site at <a href="http://www.microsoft.com/support">http://www.microsoft.com/support</a>. Or call (800) 936-3500 for information on accounts for small- to medium-sized businesses and (800) 936-3200 for large, enterprise businesses.

If you need on-site, multivendor, or proprietary product support

Microsoft Certified Solution Providers (MCSPs) and Authorized Support Centers (ASCs) specialize in providing support packages for hardware, network, and software products from both Microsoft and other vendors. For more information about MCSPs, call (800) 765-7768 or visit the Microsoft Product Support Services Online Web site at <a href="http://www.microsoft.com/mcsp">http://www.microsoft.com/mcsp</a>. #### If you need support outside the United States and Canada

The services and prices listed here are available in the United States and Canada only. Support outside the United Sates and Canada may vary. Microsoft's support services are subject to Microsoft's then-current prices, terms, and conditions, which are subject to change without notice.

## **Microsoft Product Support Services Worldwide**

If you are outside the U.S. and have a question about a Microsoft product, first:

- Check the information in Help or the product manual.
- Check the readme files that come with your product disks. These files provide general information that became available shortly before the product was released.
- Visit the Microsoft Product Support Services Online Web site at http://support.microsoft.com/support.

If you cannot find a solution, you can receive information about how to obtain product support by contacting the Microsoft subsidiary office in your area.

#### **Contacting a Microsoft Subsidiary**

When you call your local Microsoft subsidiary, you should be at your computer and have the appropriate product documentation at hand. Be prepared to provide the following information:

- The version of the Microsoft product you use.
- The type of hardware you use, including network hardware, if applicable.
- The operating system you use.
- The exact wording of any messages that appeared on your screen.
- A description of what happened and what you were doing when the problem occurred.
- A description of how you tried to solve the problem.

**Important** Phone numbers for Microsoft Subsidiaries are subject to change. For the most recent listing, please visit the Microsoft Product Support Services Online Web site at **http://support.microsoft.com/support**, and see the options and phone number section.

If there is no Microsoft subsidiary office in your country or region, please contact the establishment from which you obtained your Microsoft product.
