How to Play

Joker Wild is based on the popular video poker casino games. It features a Double or Nothing option, Statistics, optional Joker use, sound support and the ability to Load/Save games.

To play, place a bet between 1 and 5 coins then click the **DEAL** button. Turn over the cards you wish to discard by clicking in them with the mouse. If you change your mind you can turn a card back over by clicking it again. When you finish choosing your discards, click the **DRAW or STAND** button to finish your hand.

Payoff Rules

The payoff is shown on the chart below.

Five of a Kind	200	400	600	800	1000
Royal Flush	100	200	300	400	500
Straight Flush	50	100	150	200	250
Four of a Kind	25	50	75	100	125
Full House	10	20	30	40	50
Flush	8	16	24	32	40
Straight	5	10	15	20	25
Three of a Kind	3	6	9	12	15
Two Pair	2	4	6	8	10
Jacks or Better	1	2	3	4	5

The payoff is determined based on the number of coins(1-5) you play. As you insert coins a highlight bar will indicate the possible payoffs. After dealing a highlight bar will indicate any winning hand.

This chart shows a 4 coin bet with a straight for a hand.

Double or Nothing

The double or nothing feature allows you to draw cards against the house when you win a hand for the amount you won. You can continue to draw cards as long as you keep winning, doubling your money each time, or you can take the money and run.

To turn this feature on or off, choose GAME/PREFERENCES from the menu and click DOUBLE UP

There is no Joker in the Double or Nothing deck.

Joker Option

The Joker Option allows the use of one joker in the deck.

To add or remove the joker choose GAME/PREFERENCES from the menu and click JOKER IN THE DECK.

Statistics

Jokers Wild keeps track of the number of times each hand wins, the percentage of double attempts won and the total number of hands. To display or hide these statistics choose GAME/PREFERENCES from the menu and click SHOW STATS.

The statistics can be reset to zero by choosing GAME/RESET STATS from the menu.

Placing a Bet

To insert one coin press the **Bet One** button or click the **Insert Coin** slot. A maximum of five coins may be played at a time. To insert five coins at once press the **Bet Five** button.

Sound

Sound can be toggled on and off by choosing GAME/PREFERENCES from the menu and clicking SOUND.

Loading or Saving a Game

Jokers Wild **Save Game** feature allows you to save your bankroll and statistics for five different games.

To Save a Game:

1. Choose Game/Save from the menu to bring up the Save dialog box.
2. Select the game you wish to replace from the description list box.
3. Enter a description for your game.
4. Select the **OK** button.

To Load a Game:

1. Choose Game/Load from the menu to bring up the Load dialog box.
2. Select the game you wish to load from either the description list box or the bankroll list box.
3. Select the **OK** button.

Preferences

User preferences can be set by selecting GAME/PREFERENCES from the menu.

The following options are available:

Sound-Toggles Sounds on and off.

Deal on Bet 5-Automatically deal when fifth coin is deposited.

Joker in the Deck-Use one joker in the deck.

Double Up-Toggles the Double Up feature on and off.

Show Stat Box-Displays statistics.
