Mean cruel and nasty.
Come back
Because he was envious?
It takes how many to tango?
Mark Lenard
Descendents of the Vulcans?
A musical instrument holds the clue to the first part of a name.
You are on your own with this one. Sorry.
Where we are.
Eerie
Glass? Think real hard.
Honest
Sounds like a bar toast.
Snakey
Another name for a utility used in your home.
Think back to your old westerns.
Midwest
Genghis
Playing cards?
Wanderer
Purple
Headgear
Sorry, you are on your own with this one
Have a nice day
Sorry, I can't help you every time.
The name does not sound very good.
Spock?
We love it
The USA
When in Rome....
Your guess is as good as mine.
The only help I can give you is that it is less than 1000 feet.
Spiders and snakes?
Knots, Knots, Knots.
Making a U turn?
Brave man
See Dick program.
Dangerous implants
Sound something like a wine?
Sorry, no help for the candy bar lovers in this world.
Lear
The center area of something.
Think of ancient times.
Engineer
Not vertical
A part of the body holds the clue.
Think. This is not a clue.
Look up for the clue.

Sheet1

It was a hairy situation
pitchfork?
Harvey Wallbanger
Could be embarrassing.
Yes it has a number. But if I give you a clue for this one, it would be unfair.
Remember the signs in shopping malls that say, you are here?
It was an early earth colony.
When, how & where
123 ABC
Am I blue?
Think of the song The Red Baron.
Firm.
Fisherman's Wharf
Lombard Street
Shoes
A hint here would not be fair.
Gardeners?
Mentioned in an unusual song.
Squish
Baby doctor?
Symbol of peace
Indiana ??????
Look deeply into a mirror.
Breather
Phone home
Trumpets sound?
If you come up with a clue for this one, LET ME KNOW!
Think of a forest.
Why are you always asking for a hint?
Dangerous thoughts
The Great.
Sounds like a deadly poison.
This person was first thought to have lost ??? mind.
A hard drink may help.
It's redundant.
The big cheese
Where the Sidewalk Ends.
Ha, you think you deserve a clue on this one?
Sounds like it falls from the sky.
This one has no clue before it's time.
The reverse of something?
Craps
Use it to make a fire.
Change
She was married to George Samuel Kirk.
Could be a compound.
It ain't Hell.
Anyone in his profession would know.
Water plants

Calm down
Did they fly too high?
A testing phase.
A lot of talking.
