Menu / Power bar

The Intime Power bar is a menu system that always remains visible in front of other applications and is used to run applications that form part of the Intime suite of programmes.

To run the Power bar double click on the following icon

The following will be visible in the top right of the screen and can be used to run applications by clicking on the relevant icons

The icons run the following applications :-

Intime

Calendar

Alarm

World Clock

Icon Editor

Lottery

Help

Close / Exit the Power bar.

General

Running a Application

To run a application Double click on the Icon.

Closing a Application

To Close a Application click on the box with a horizontal line in the box then select Close alternatively just double click on the Box. The box is located in the top left of the associated window.
