

If you use Roll-Ups often, you'll want to organize them for easier access. Roll-ups can be grouped together so that a single Roll-Up gives you access to the commands of several Roll-Ups.

Roll-up groups in the Application Window support **drag and drop**, allowing you to group and ungroup Roll-Ups while you work.

What do you want to do?

Create Roll-Up  
groups.

Change a Roll-Up's  
alignment.
