

You can combine two or more Roll-Ups into a single Roll-Up group. In a group, only one Roll-Up is active at a time.

1. Open the Roll-Ups you want to group together.
2. Do one of the following:
 - ◆ Hold down ALT and drag one of the Roll-Ups onto another.
 - ◆ Right-click a Roll-Up's Title Bar, drag the Roll-Up onto another, release the mouse button and select Move Here.
