

You can change the position of a Roll-Up (i.e., where it appears in the Application Window).

1. Click the Roll-Ups tab in the Customize dialog box.
2. To move a Roll-Up from one group to another, do one of the following:
 - ◆ Select the Roll-Up's name, and click the appropriate Move button.
 - ◆ Drag the Roll-Up's name from one box to the other.
3. Click OK.
