Next, modify the shape of the
text using the Envelope Roll-Up.

4. Select the Artistic text with
   the Pick

   tool.

5. Click Effects menu, Envelope.

6. Click the Add New button.

7. Click the Single Arc Envelope

   button

                  and
   drag the top-middle node up
   about 1/2 an inch to create a
   rounded line or click

[here](#).
