

To remove the body from the picture of the person with the Eraser tool, do the following:

1. Select the picture of the person with the **Pick tool**. An object must be selected before you can use the Eraser tool.
2. Click the Eraser tool.
3. Click and drag the mouse across the portion of the picture you want to erase.

Whenever you use the Eraser tool on an object, that object is converted to a **curve**

object.
