

Now that you've gained some background information, this part shows you how to publish your graphic in .GIF format.

1. Open the file.
2. Click File menu, Publish To Internet.
3. Choose the location where you want to save your file in the Save In box. Type the name you want to give your file in the File Name box.
4. Choose CompuServe Bitmap (GIF) from the Save As Type box, and click Export. (cont'd)
