

## MISCELLANEOUS

### MOTOR COMPANIES:

An Escort is made by the Ford Company.

*Henry Ford* (1863-1947) is the man behind Ford motorcars. He was an American industrialist, best known for his pioneering achievements in the motor vehicle industry. Ford was born on a farm near Dearborn, Michigan, USA, on July 30, 1863, and was educated in district schools. He died on April 7, 1947, in Dearborn, and left a personal fortune estimated at \$500 to \$700 million.

The Silver Ghost is made by Rolls Royce.

The E type was made by Jaguar.
