

SPELLING ADVICE

To make a spelling quiz, you will enter a list of spelling words. When you take the spelling quiz, the computer will read the words to you and you will type in the correct spelling.

Tips:

- Your PC must be able to play sound, or you will not be able to take the spelling quiz
- Be sure you spell the words correctly when you enter them. Use the word list that your teacher gave you.
- When you take the quiz, you will be asked to spell all the words, so if you have a lot of words, you might want to put some of them in this quiz and some of them in a second quiz.
