TEDDY CHESTNUT v 1.0
Unregistered Shareware Demo Version

RELEASE NOTES June, 1997

USING THE SOFTWARE

To exit, choose "Quit" from the "File" menu.

To turn sound or music on and off, or to pause, make a selection from the "Options" menu.

CAUTIONS

Some computers cause the sound player to crash when the user clicks a sound selection before another has completed. (This does not apply to music.) If this happens, reboot your computer. The problem can be avoided by *not* choosing a new sound while another is still playing.

LICENSE

TEDDY CHESTNUT is SHAREWARE: you may use it on a trial basis for thirty days.
Thereafter you must register and pay a $9.95 fee or remove it from your computer.
A registration form is provided in the software and in the external file REGISTER.WRI.

SPECIAL

When installation is complete, you can reclaim about 3 MB hard disk space by using
File Manager to delete the directory "tedches" and all of its contents.
